# ASHFIELD

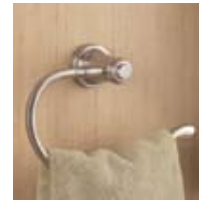

With the turning seasons, fabrics change from floral cottons to wool plaids, and centerpieces from wildflowers to dried grasses. Souvenirs from recent travels mix with treasured family heirlooms and flea market finds. Collections abound. Fashionable and flexible, this seemingly eclectic style brings together time-honored country traditions.

# Avalon

Cooling breezes. A hint of moisture in the air. Life is easy and interiors are oriented to the water. Uncomplicated style and light, sun bleached colors populate this home. The Avalon has a slight touch of the coast, aesthetically coexisting with any color scheme or decor.
